

Asking Questions

Asking questions during conversation helps to show the other person that you are interested. Read each comment and think of a question you could ask to let the other person know you're interested!

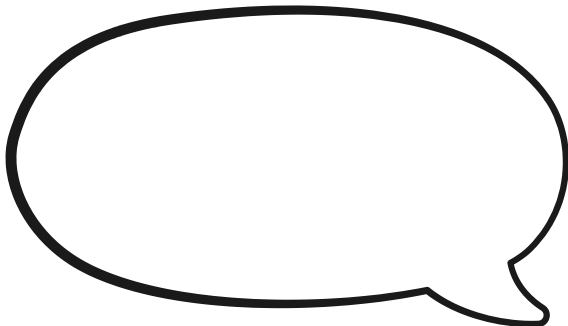

"I just got a new video game last night!"

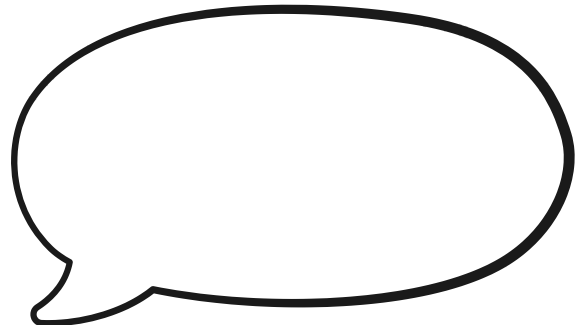

"I can't believe I got grounded!"

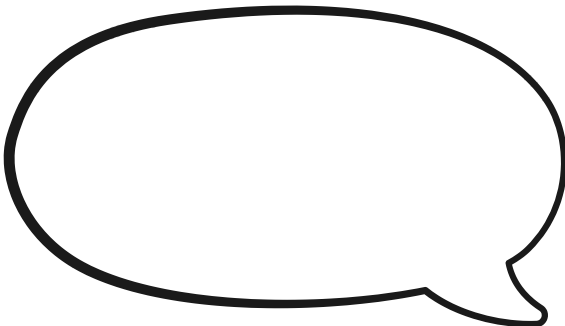

"It's too hot outside for me. I like it cooler."

"I'm so excited for summer break!"

"My birthday is coming up in a couple of days."

"I've never felt this sad before in my life."
