Draw pictures of your best and worst behavior this week and answer the questions below each one.

When I was on my **BEST** behavior!

What is going on in this picture?
What made you show this behavior?
How did this behavior make you feel?
How did it make others feel?
Will you be able to continue showing this behavior?

When I was on my **WORST** behavior!

What is going on in this picture?
How did this behavior make you feel?
How did it make others feel?
What was your consequence for this behavior?
What is something you can do differently next time?
